

CHAPTER 3

Part V. From the Marginal Questions

1. Concerning God's revelation, why are we living in the "richest time period of world history"? _____

2. Why should the large number of differences between the Vatican and Sinaitic manuscripts decrease the reliableness of using them as a primary basis for Bible translation? _____

3. Besides an excellent knowledge of languages, what other "knowledge" must a good translator of the Bible possess? Why? _____

4. Why is "humanism" an insecure and comfortless religion? _____

5. Can you discover any common characteristics found in all false religions? How does true Christianity differ from all false religions? _____
