

CHAPTER 6

Part II. Deepening Your Insight

1. Why would it not be logical to believe in God's creation but not in His providence?

2. Does God command us to be concerned with the primary cause, or secondary causes of all things, or both? Explain. _____

3. Why is a person fully responsible and guilty when he sins, since his sin is in God's unchangeable decree, and happened under God's governing providence? _____

4. How is God the permitter of, and governor over sin, but not the "author" or cause of sin? _____

5. Explain why there often is a struggle in the heart of a regenerated person to believe in God and trust His providential dealings in time of adversity. _____

6. Explain why only Spirit-worked grace in our hearts can truly produce the precious fruits of:
 - a. Patience in adversity - _____

 - b. Humbleness in prosperity - _____

 - c. Calm trust for the future - _____
